

# ZURA DOGHANADZE

FRONT-END DEVELOPER

 598 11 64 84

 zuradoghanadze@gmail.com

 Georgia-Tbilisi

## SKILLS

- HTML/CSS
- Git/Github
- Figma/XD adobe
- JAVASCRIPT
- Linux

## PROFILE

I am Zura Doghanadze. I am 23 years old. I have been interested in logical thinking and algorithms since childhood, that's why after graduating from university I decided to study programming due to its scale.

The result exceeded expectations and it turned out that being a front-end developer is exactly what I enjoy doing.

I am motivated and purposeful. I want to study and develop this profession better.
